## Directors' Report

The Directors present their report on Togethr Trustees Pty Ltd (ABN 64 006 964 049) for the financial year ended 30 June 2023.

### Directors

The names of the Directors in office at any time during or since the end of the financial year are:

D. G. Casey  
M. R. Cassin  
M. N. Cerche  
P. Davy-Whyte  
J. C. Dekker (Retired 30 June 2023)  
D. A. Doolan  
J. S. Hickey  
S. Rahmani  
S. M. Thompson  
J. J. Widdup (Appointed 1 July 2023)

Details of individual directors and their attendances at director meetings is available on the website of the Trustee company.

### Principal Activities

The principal activity of Togethr Trustees Pty Ltd ("the Trustee company") during the year was acting as the not-for-profit Trustee of Equisuper Superannuation Fund ("Equisuper" or "the Fund"). In that capacity, the Trustee company is entitled by the trust deed (which constituted the Fund) to recover the costs and expenses of the operation, management, administration and investment of the Fund. However, the trust deed specifically provides that the Trustee is not entitled to receive from the Fund any commission or other remuneration in respect of the office of Trustee. The Trustee company holds an extended public offer licence from the regulators permitting the Trustee company to be Trustee of the fund.

There was no change in the nature of the principal activities of the Trustee company during the financial year.

### Shareholding Arrangements

All shares in the Trustee company are held by Togethr Holdings Pty Ltd. No options over issued shares or interests in the Trustee company were granted during or since the end of the financial year and there were no options outstanding at the date of this report.

---

## Directors' Report (continued)

### Operating Results

The operating result for the financial year after providing for income tax amounted to a net profit of \$7,242,213 (2022: profit of \$71,818).

### Significant Changes in the State of Affairs

From 1 January 2022, as a result of changes to section 56 and 57 of the Superannuation Industry (Supervision) Act 1992 (SIS Act), superannuation Trustees and Trustee directors are not permitted to use trust assets to pay criminal, civil or administrative penalties incurred in relation to breaches of Commonwealth law.

On 7 November 2022 the Supreme Court of South Australia changed the Trust Deed of Equisuper, at the request of the Trustee company. These changes allow the Trustee to:

- charge a Trustee Fee ("Trustee Indemnity Reserve Fee") to the Fund, and
- establish a Trustee Reserve ("Trustee Indemnity Reserve") from which to pay fines and penalties should the need arise.

The fee is calculated in accordance with the Trust Deed.

In order to mitigate any funding risks, the Trustee company established a Trustee Indemnity Reserve during the year. The Trustee company received from the Fund a total Trustee Indemnity Reserve Fee of \$10,220,000 (\$7,154,000 net of tax) during the year. This reserve will be maintained to ensure sufficient liquidity is available should a penalty be incurred. The reserve cannot be used by the Trustee or its directors, to conduct other businesses or pay any dividends or profits to the Trustee's shareholders,

No other significant changes in the Trustee company's state of affairs occurred during the financial year.

### Dividends

No dividend has been paid or declared since the previous financial statements and the Directors do not recommend the declaration of a dividend (2022: NIL).

### Indemnification and Insurance of Officers and Auditors

The Trustee company has entered into Deeds of Indemnity and Access with each Director of the Trustee company, as well as its Company Secretary and Chief Executive Officer. The Deeds indemnify those officers, subject to relevant laws, for losses or liabilities incurred as an officer in accordance with the indemnities allowed under article 104 of the Articles of Association for the positions of Director, Company Secretary and other officers of the Trustee company. No other indemnities have been given during or since the end of the financial year, for any person who is or has been an officer or auditor of the Trustee company.

The Trustee company has paid a Trustee Indemnity Insurance premium during the financial year.

On 7 November 2022 the Supreme Court of South Australia changed the Trust Deed of Equisuper, so as to entitle the Trustee company to charge the Fund a Trustee Indemnity Reserve Fee for the purpose of establishing a Trustee Indemnity Reserve to be held by and for the Trustee company. The main purpose of the Trustee Indemnity Reserve is to build the financial resilience of the Trustee company – in particular, to address the risk of the Trustee company becoming insolvent, by way of it and/or its directors incurring

## Directors' Report (continued)

### Indemnification and Insurance of Officers and Auditors (continued)

liabilities for which they cannot, as a result of recent amendments to the SIS Act, be indemnified from the assets of the Fund.

### Events Subsequent to Reporting Date

The Directors are not aware of any matters or circumstances that have arisen since the end of the financial year, which significantly affected or may significantly affect the operation of the Trustee company, the result of those operations or the state of affairs of the Trustee company in subsequent financial years except as may be stated elsewhere in the financial statements.

### Likely Developments

The Directors have no likely developments to report except as may be stated elsewhere in this report or in the financial statements. Further information on likely developments in the operations of the Trustee company and the expected results of operations have not been included in the annual financial statements because the Directors believe it would be likely to result in unreasonable prejudice to the Trustee company.

### Environmental Regulations

The Trustee company's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a State or Territory.

### Responsible Investment

The Trustee believes the incorporation of Environmental, Social and Governance (ESG) factors in its investment decision making framework is a fundamental component in meeting the Funds' fiduciary obligations and member best financial interests. The Trustee has adopted a Responsible Investment Policy, which guides how ESG factors are taken into account in the investment process. The Trustee believes that climate change is a systemic issue and presents financial risks and opportunities for investors. The Trustee recognises the importance of managing climate-related implications in the investment process, aligned to the best financial interest of our members.

### Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 25.

Signed in accordance with a resolution of the Board of Directors.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### (1) Corporate Information

The financial statements are presented in Australian currency.

Togethr Trustees Pty Ltd is a company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Togethr Trustees Pty Ltd  
Level 12, 330 Collins Street  
Melbourne VIC 3000.

The financial statements were authorised for issue by the Directors on 26 September 2023. The Directors have the power to amend and reissue the financial statements.

### (2) Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board (AASB) and the Corporations Act 2001.

##### *Compliance with IFRS*

These financial statements comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB).

##### *Historical cost convention*

These financial statements have been prepared on an accrual basis and in accordance with the historical cost convention.

##### *Critical accounting estimates*

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Trustee company's accounting policies. Particular consideration has been given in the preparation of these financial statements, to areas that may be impacted by geopolitical instability caused by the Russia-Ukraine war. The Trustee has determined that while uncertainty remains in the operating environment, the impact of geopolitical instability caused by the Russia-Ukraine war on the operations of the entity has not been significant. No higher degree of judgement or complexity, or significant assumptions and estimates have been made in the preparation of these financial statements.

#### (b) Revenue

Costs incurred by the Trustee company in the administration and internal investment management of the Fund are recovered or recoverable from the Fund and recognised as revenue in the Statement of Comprehensive Income upon the delivery of the service. Interest revenue is recognised as it accrues, using the effective interest method. Income is recognised to the extent that it is probable that the economic benefits will flow to the Trustee company and the income can be reliably measured.

---

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### **(2) Significant Accounting Policies (continued)**

#### **(c) Cash and cash equivalents**

For the statement of cash flows presentation purposes, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the Statement of Financial Position.

#### **(d) Trade and other receivables**

Receivables are carried at amounts due and on normal commercial terms. The carrying amount of trade and other receivables approximates fair value.

The Trustee applies the AASB 9 simplified approach to measuring expected credit losses ("ECL"), which uses a lifetime expected loss allowance for all trade receivables and contract assets. To measure the ECL, trade receivables have been grouped based on shared credit risk characteristics and the days past due. Expected loss rates are based on historical actual write-off rates and forward-looking indicators that might impact the recoverability of balances. With the exception of intercompany receivables, the Trustee considers that default has occurred when a financial asset is more than 90 days past due unless the Trustee has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

#### **(e) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Trustee company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

#### **(f) Provisions for employee benefits**

Provision is made for the Trustee company liability for annual leave and long service leave arising from services rendered by employees to reporting date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### **(2) Significant Accounting Policies (continued)**

#### **(g) Income tax**

Income tax expense in the statement of comprehensive income comprises current and deferred tax. Current tax is the expected tax payable on the taxable income for the year using tax rates enacted or substantially enacted at the reporting date and any adjustment to tax payable in respect of previous years.

Deferred tax is provided for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the reporting date.

Deferred tax liabilities are generally recognised for all taxable temporary differences and a deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and liabilities can be offset when they relate to income taxes levied by the same taxation authority and the Trustee intends to settle its current tax assets and liabilities on a net basis.

#### **(h) Goods and services tax**

Revenues, expenses and assets of the Trustee company are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are stated with the amount of GST included. The amount of GST recoverable from, or payable to, the ATO, is included as a current asset or liability in the Statement of Financial Position. Cash flows are included in the Statement of Cash Flows on a gross basis. The GST components of the cash flows arising from investing and financing activities, which are recoverable from, or payable to, the ATO, are classified as operating cash flows.

#### **(i) Leased assets**

The Trustee assesses whether a contract is or contains a lease at inception of the contract. The Trustee recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (lease term of 12 months or less) and leases of low-value assets, the Trustee has opted to recognise a lease expense on a straight-line basis as permitted by IFRS 16.##

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined the Trustee uses its incremental borrowing rate.

---

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### (2) Significant Accounting Policies (continued)

#### (j) Financial instruments

##### Recognition

Financial assets and financial liabilities are recognised on the date when the Trustee company becomes party to the contractual provisions.

##### Classification and measurement of financial instruments

#

##### Financial assets

All financial assets are initially measured at fair value adjusted for transaction costs (where applicable), except for trade receivables that do not contain a significant financing component which are measured at transaction price. The Trustee company classifies and subsequently measures its financial assets as financial assets at amortised cost.#

##### Financial liabilities

The Trustee company measures all financial liabilities initially at fair value less transaction costs where applicable. Subsequently, financial liabilities are measured at amortised cost using the effective interest rate method.

##### Derecognition

Financial assets are derecognised when the contractual rights to the cash flows expire, or when the financial asset and substantially all the risks and rewards are transferred. Financial liabilities are derecognised when the obligation is extinguished, discharged, cancelled, or expired.

#### (k) New accounting standards and interpretations

There are no standards, interpretations or amendments to standards that are effective for the first time in the financial year commencing 1 July 2022 that have a material impact on the amounts recognised in the prior or current periods or that will affect future periods.

None of the standards, interpretations and amendments which are effective for periods beginning on or after 1 July 2023 and which have not been adopted early, are expected to have a material effect on the financial statements.

#### (l) Comparative figures

Where required, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

The fees received and accrued as a reimbursement by the Trustee company from the Fund during the year were \$70,863,545 (2022: \$66,381,985). The Trustee company is also entitled to receive a Trustee Indemnity Reserve Fee, to be calculated in accordance with the Trust Deed. The Trustee Indemnity Reserve Fees received and accrued by the Trustee company from the Fund during the year were \$10,220,000 (2022: \$0).

The total amounts due and receivable from the Fund for trustee fees at reporting date were \$7,926,099 (2022: \$6,166,855).

The Fund had paid monies to the Trustee company in 2005-06 to meet Australian Prudential Regulation Authority Registrable Superannuation Entity Licensing conditions to hold cash of at least \$100,000. The amount of \$100,000 is held by the Trustee in a term deposit and must be returned to the Fund if the Trustee company is wound up.

The Trustee company purchases gas, electricity, water and other services from employers who participate in the Fund. The transactions are carried out on an arms-length basis.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### (8) Related Parties (continued)

#### (c) Related party transactions (continued)

The Trustee company provides administration and infrastructure support services to Togethr Financial Planning Pty Ltd.

Mr M. Cerche is a former partner of Allens and is entitled to a retirement income payment from Allens. The Trustee company used Allens legal services during the year, with expenses totalling \$1,118,404 during the current financial year (2022: \$715,641).

Ms J. Hickey is a director of Australian Council of Superannuation Investors Ltd (ACSI). The Trustee company paid membership fees and voting alert service subscriptions to ACSI during the year totalling \$424,822 (2022: \$354,952).

Mr. I. Lancaster is a director of Lancaster Partners Pty Ltd. The Trustee company paid Lancaster Partners Pty Ltd for the services of Mr. I. Lancaster as Acting Executive Officer, Governance and Risk during a period of paternal leave taken by the Executive Officer, Governance and Risk. Total service fees paid to Lancaster Partners Pty Ltd during the year were \$357,480 (2022: Nil).

Mr. B.A. Retallick is a director of Retavest Pty Ltd. The Trustee company paid Retavest Pty Ltd for the services of Mr. B. A. Retallick as Executive Officer, Transformation and Technology. Total service fees paid to Retavest Pty Ltd during the year were \$Nil (2022: \$49,500).

#### *Terms and conditions of transactions with related parties*

All related party transactions are at arm's length and on normal commercial terms and conditions. Outstanding balances at year end are unsecured, interest free and settlement occurs in cash.

There have been no guarantees provided or received for any related party receivables or payables.

#### (d) Trustee's Responsibility for Liabilities of Togethr and Right of Indemnity

From 1 January 2022, as a result of changes to section 56 and 57 of the Superannuation Industry (Supervision) Act 1992 (SIS Act), superannuation Trustees and Trustee directors are not permitted to use trust assets to pay criminal, civil or administrative penalties incurred in relation to breaches of Commonwealth law.

On 7 November 2022 the Supreme Court of South Australia changed the Trust Deed of Equisuper, at the request of the Trustee company. These changes allow the Trustee to:

- charge a Trustee Fee ("Trustee Indemnity Reserve Fee") to the Fund, and
- establish a Trustee Reserve ("Trustee Indemnity Reserve") from which to pay fines and penalties should the need arise.

The fee is calculated in accordance with the Trust Deed.

In order to mitigate any funding risks, the Trustee company established a Trustee Indemnity Reserve during the year. The Trustee company received from the Fund a total Trustee Indemnity Reserve fee of \$10,220,000 (\$7,154,000 net of tax) during the year. This reserve will be maintained to ensure sufficient liquidity is available should a penalty be incurred.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

### (8) Related Parties (continued)

#### (d) Trustee's Responsibility for Liabilities of Togethr and Right of Indemnity

The reserve cannot be used by the Trustee or its directors, to conduct other businesses or pay any dividends or profits to the Trustee's shareholders.

These financial statements have been prepared for the Trustee company and, as such, do not record assets and liabilities of the Fund. The Trustee company will only be liable for the liabilities of the Fund if it has committed a breach of its fiduciary duties or if the Fund has insufficient assets to meet its non-benefit liabilities. In the opinion of the Directors, there has been no breach of fiduciary duties of the Trustee company in its capacity as Trustee. At the reporting date, the assets of the Fund are sufficient to meet expenses incurred by the Trustee company, and to the extent permitted by law, the Trustee company is entitled to an indemnity from the Fund to meet all costs and expenses incurred as Trustee of the Fund as and when they fall due. Where the law operates to preclude indemnity in respect of any such cost or expense (for example where the expense is in relation to a monetary penalty under a civil penalty order, an amount payable under an infringement notice, or an administrative penalty), the Directors expect that the cost or expense will be met from assets outside the Fund.

Dear Directors

### Auditor's Independence Declaration to Togethr Trustees Pty Ltd

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the directors of Togethr Trustees Pty Ltd.

As lead audit partner for the audit of the financial report of Togethr Trustees Pty Ltd for the year ended 30 June 2023, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

Yours faithfully

## Independent Auditor's Report to the members of Togethr Trustees Pty Ltd

### *Opinion*

We have audited the financial report of Togethr Trustees Pty Ltd (the "Company") which comprises the statement of financial position as at 30 June 2023, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- Giving a true and fair view of the Company's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

### *Basis for Opinion*

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (*including Independence Standards*) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company ("the directors"), would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Other Information*

The directors are responsible for the other information. The other information comprises information included in the directors' report for the year ended 30 June 2023 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## *Responsibilities of the Directors for the Financial Report*

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

## *Auditor's Responsibilities for the Audit of the Financial Report*

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

**Deloitte.**

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
